Information Transport Solutions, Inc. Wins Cisco K-12 Education Partner of the Year – Public Sector at Cisco Partner Summit 2011

Wetumpka, AL – March 9, 2011 – Information Transport Solutions, Inc. (ITS) announced today that it is the recipient of a Cisco Partner Summit regional award for Cisco K-12 Education Partner of the Year – Public Sector. Cisco unveiled the winners March 1 at its annual channel partner conference in New Orleans.

"Cisco works diligently with all of its channel partners, and it is an honor to announce ITS as a Cisco Partner Summit regional award recipient," said Jim Sherriff, senior vice president, U.S. and Canada Partner Organization at Cisco. "The K-12 Education Partner of the Year – Public Sector Award presented to ITS recognizes its performance and expertise as a Cisco channel partner in the southeastern region in 2010."

"The ITS team is honored to receive the Cisco K-12 Education Partner of the Year Award," says Jeff Drury, ITS CEO/CFO. "Being recognized for IT channel leadership in the K-12 public sector reflects the significant efforts, high standards and determination of our staff. We will use the award as inspiration to drive continued success and partnership with Cisco into the decade ahead."

Cisco Partner Summit awards are presented at three levels: regional, theater and global. Cisco Partner Summit U.S. and Canada regional awards reflect a partner's performance in a given geographic region of the United States or Canada.
